WHAT WE DO?
WE TURN YOUR KNOWLEDGE INTO AN INTERACTIVE QUIZ APP

We transform your content into a fun and effective learning experience.
You provide the knowledge, we take care of turning it into a professional app ready to use.

FROM YOUR CONTENT TO A QUIZ APP

YOUR CONTENT

You provide your notes, materials, documents or question banks. This is our starting point.

QUESTION PREPARATION

We analyze your content and turn it into clear, up-to-date and engaging questions to ensure quality and learning.

QUIZ APP

We create a fully customized quiz app with your brand, colors, images and categories. An interactive and attractive experience on any device.

YOUR STUDENTS

Your students learn, practice and have fun while testing their knowledge anytime, anywhere.

WHAT YOU GET

EFFECTIVE LEARNING

Students retain more with quiz games and active repetition.

MORE MOTIVATION

Learning through play increases motivation and engagement.

SAVE TIME

We handle the technical work so you can focus on teaching.

REAL RESULTS

An effective tool to reinforce knowledge and improve outcomes.

YOUR BRAND, YOUR APP

Strengthen your brand with a unique, modern and valuable app.

YOUR KNOWLEDGE HAS VALUE.
WE TURN IT INTO A LEARNING EXPERIENCE THAT TEACHES.

A custom quiz app is the most innovative way to share your knowledge, reach more people and create real impact.

DGILA STUDIOS

YOUR QUIZ APP, YOUR BRAND, YOUR SUCCESS.
Professional apps. Clear process. Real results.

dgila.studios@gmail.com

WHO IS IT FOR?

Our interactive quiz apps can be adapted to any content and any need.

Perfect for educational institutions, trainers and organizations that want to teach, train or assess their audience effectively.

ACADEMIES

Create customized quizzes for your students, reinforce knowledge and improve results.

TEACHERS

Turn your notes and class materials into interactive quizzes to engage and assess your students.

TRAINING CENTERS

Offer dynamic and modern training with custom content and personalized assessments.

BUSINESSES

Train and evaluate your team effectively with content adapted to your industry and objectives.

EXAM PREPARATION

The perfect tool to study and practice exam tests for any public position or professional field.

ONLINE COURSES

Enhance your online courses with interactive quizzes and improve the learning experience.

ANY CONTENT. ANY SECTOR. WE TURN IT INTO AN APP.

You have the content, we create the best way to learn.

DGILA STUDIOS

YOUR QUIZ APP, YOUR BRAND, YOUR SUCCESS.
Professional apps. Clear process. Real results.

IMAGES & CONTENT OPTIONS

The right visuals make your app more attractive, professional and effective.

Choose how to include images in your project.

INCLUDED IN YOUR PROJECT

IMAGES PROVIDED BY THE CLIENT

INCLUDED

You provide us with the images you want to use and we prepare, optimize and integrate them into your app.

Up to 10 images provided by the client

INCLUDED

The client must own the rights to use and distribute the images.

CUSTOM IMAGE PACK

€50

We create unique and customized images using AI and prepare them for use in your app.

Up to 10 images created and adapted by DGILA Studios using AI

Images specifically created for your topic and style, ready to use in your app.

NEED MORE IMAGES?

ADDITIONAL QUANTITY	IMAGES PROVIDED BY THE CLIENT (you provide them)	IMAGES CREATED BY DGILA STUDIOS (AI) (we create them)
Additional images	Included up to 10 images No additional cost	Custom quote Based on quantity and complexity
More than 10 images	Custom quote Based on quantity and complexity	Custom quote Based on quantity and complexity
Any quantity	Custom quote Based on quantity and complexity	Custom quote Based on quantity and complexity

HOW WE WORK WITH YOUR IMAGES

1. We receive your images or create the necessary ones.
2. We prepare and optimize each image for your app.
3. We adapt the format, size and quality according to requirements.
4. We integrate the images into your app in the best way.
5. You get a professional, attractive and ready-to-publish final result.

All images (provided by the client or created by us) are optimized to ensure the best performance and visual quality in your app.

NO IMAGES?

No problem. We can create images for you and adapt the visual content to your topic and app style.

OUR PROCESS STEP BY STEP

A clear and transparent process to create your app, with questions and answers, **100% personalized.**

We accompany you at every stage to ensure the highest quality and the best final result.

1 WE SEND YOU YOUR CONTENT

PDF, Word, Excel, files, bank of questions, etc.

We receive your content in the format you provide. The more complete it is, the better the result.

2 WE PREPARE YOUR QUESTIONS

Organization, generation and review of the content.

We analyze the content, create the questions, propose images (if necessary) and verify quality and coherence.

3 WE CUSTOMIZE THE APP

Logo, colors, images and categories, so the app reflects your identity.

We adapt the app to your identity: design, visual style, themes, images and content organization.

4 YOU RECEIVE A TEST VERSION

You can test the app and see how the content is presented.

We send you a test version so you can check the content, design and functionality.

5 WE MAKE THE REQUIRED ADJUSTMENTS

We apply your suggestions and perfect the app.

We implement the changes and finalize the app.

6 WE DELIVER THE APP

Your app is ready to be used and published.

We deliver the final version (optimized and tested) in APK format for Android, so you can install it on your devices.

FREE TRIAL BEFORE CONTRACT

Find out how your app will look before you decide.

We offer a free demo version with up to 15 questions from your content, so you can see the design, functionality and quality of the result.

✓ NO COMMITMENT

PAYMENT CONDITIONS

1 50% AT THE START

A payment of 50% is required to begin the development of the questions.

2 50% AT DELIVERY

The rest will be due after you have received the final version and approved the app.
